# *Bark & Branch*

## Patrick Booth

Patrick Booth's project, **Bark & Branch**, is his sonic exploration of the sense of quiet only found in the midst of the deep forest. Bright colors abound, taking the listener through old growth forests in every season: the vibrancy of Fall, the quiet and mysteries of Winter, the newness of Spring, and the joy of Summer.

Tuesday, August 25 @ 7:00 pm

PWPL Front Street Steps

(Rain date: Tuesday, September 1)
